Dear Members of the Health Committee

As a citizen of Queensland, I urge you to oppose both Abortion Bills.

I also urge you to respect the health and rights of women and the unborn to be protected; respect the right of medical staff and the public to freedom of speech; reject this irresponsible bill which allows 'backyard' self-administered abortions and reject this anti-woman, anti-foetus, hastily and ill-conceived abortion bill.

There are many other more humane ways of supporting mothers and fathers with unplanned pregnancies.

Thanking you for taking the time to read my email and consider my request.
Yours faithfully

Vicki McCosker
