Subject: Reject this bill
Date: Wednesday, 28 September 2016 7:48:04 PM

Dear Health Committee,

I would like to ask you to reject the proposed bill to weaken Queensland's abortion laws.
I believe countless women and babies will be harmed than already occurs.
Reject this bill. Stop this law from passing.
I have also signed the related e-petition to oppose this law.

Sincerely,

Kerry Pennington.
