It is with much disdain directed to [REDACTED] that I sign this petition/voice my disapproval of this bill.

Mr Pyne should hang his head in shame for even considering submitting such a vile bill. How dare he even submit our parliament to a discussion on something so abhorrent as this abortion bill and all it entails.

It beggars belief that such a grossly barbaric act as full term abortion even be considered - this act is paramount to murder. A full term baby is not just a blob of tissue hidden in the deep dark recess of a woman's body.

Please, I implore you to categorically REJECT AND OPPOSE this bill. Is there no integrity or moral ethic left in our parliament?- a sad sad state of affairs.

I sincerely hope common sense prevails and this heinous, reprehensible piece of bill is forever cast out.

Yours Faithfully Leanne MacKenzie
