Date: Wednesday, 28 September 2016 8:41:30 PM

Dear Member of the Health Committee,

I am writing to express my deep concern and opposition to the new bill tabled by Rob Pyne. I am strongly against the bill and the way in which it's wording enables harm to both mother and child - as mentioned in the current e-petition.

Thank you for taking the time to consider this email, and for endeavouring to make the right decision in this area.

Kind regards,

Vijay Barber
