Attention: Qld. Govt. Health Committee

Dear Sir/Madam,

I am totally opposed to the Abortion Bill because I regard the taking of the life of an unborn child at any stage of development as murder. Soon after conception a heart is beating and life has begun so to deliberately end the life of the developing child is murder!

I ask the Health Committee to reject and oppose the 2nd Pine Abortion Bill. By doing so you will have a clear conscience and not have to suffer the guilt of being responsible for the murders of many of babies.

Yours sincerely,
Noreen Linton
