Dear Sir/Madam

I am writing today to ask in no uncertain terms that the Health Committee please reject/oppose The 2nd Pyne Abortion Bill. Women should be given ALL information about abortion (for and against) so they can make an informed decision for themselves. This should not be taken away from them, they will have to live with any consequences for the rest of their lives, It is up to your committee to ensure women are given all information before an abortion is carried out. I ask again for the Health Committee to reject/oppose the 2nd Pyne Abortion Bill.

Regards

Sherry Swenson
