We respectfully request that the Committee **reject/oppose** this Bill. Please:

- honour pre-election pledges to the people of Queensland stating publicly that current abortion laws would not be changed.
- respect the health and rights of women to be protected.
- respect the health and rights of unborn babies to be protected.
- respect the right of medical staff to freedom of speech.
- respect the right of the public to freedom of speech.
- reject this irresponsible bill which allows 'backyard' self-administered abortions.
- reject this anti-woman, anti-baby, hastily and ill-conceived abortion bill.
- honour the public's repeated requests that babies be protected.
- work towards the protection of ALL human life.
