**Subject:** Please say NO to new abortion bill...  
**Date:** Thursday, 29 September 2016 11:42:36 AM

---

Dear members of the Queensland Health Committee,

**Please say no** to Queensland abortion law reforms that do not protect women, allow abortion to full term and limit free speech.

**I am a young, professional female. I strongly support the rights of women and children in this matter and I do not believe Pyne's first or second Abortion bills do either.**

Kind regards,

**Elise McNamara**
