Subject: Please stop both bad abortion bills!

To Whom It May Concern,

MP Rob Pyne's second bill again disregards public opinion and global trends, allowing late term abortion for viable babies and adding exclusion zones which effectively limit free speech for doctors, nurses, hospital staff and the public.

This bill appears to contradict itself and disregards the seriousness of the issue it addresses.

Whilst stating that abortions must be performed by a doctor, the bill also allows women to perform their own abortion.

It ignores community calls for independent counselling and protections for women.

The first inquiry heard from medical experts that abortion is readily accessible under the current Queensland law, with around 10,000 per year performed and with no person ever being convicted under the law.

Experts testified that the child in the womb is human, and deserving of human rights.

Thank you in anticipation of your consideration of the above.
