Subject: The Committee Should Reject the Health (Abortion Law Reform) Amendment Bill 2016

To Whom May Concern,

I write to ask that the Committee fully and properly consider the consequences of the proposed legislation that is the *Health (Abortion Law Reform) Amendment Bill 2016* and that it unequivocally reject such a Bill, or any other Bill in similar terms that might be proposed by any member or party.

The Bill clearly pays no regard to the wishes of the people who the Queensland Parliament represents.

Yours faithfully,
