Dear Sir

I can't understand why Mr Pyne is putting a new bill forward again on this subject.

He got defeated last time is he such a slow learner?

Is it because he is so unhappy in his life that he wants other lives to be aborted?

I don't understand his ulterior motive! No one has the right to murder a baby from the day of conception it is a human being. I'm very much against this bill he is trying to put forward!

Mr Pyne needs to get a life do something productive instead of trying to take lives!
