To whom it may concern,

I am writing to oppose the dangerous abortion bill proposed by Cairns MP Rob Pyne. Babies in or outside of the womb are still babies, human beings – to kill a baby outside of the womb is murder, abortion is likewise murder. I would even say it is worse, because the womb should be the safest place for a baby.

This bill allows for abortion until birth for viable babies, and removes protection for QLD women and babies, hence I am fully against the bill.

Thank you,

Frances Erbacher
