Dear Committee Members,

I write to urge you to reject this latest attempt by Senator Pyne to make it legal for full term abortion. It is my view that the current term of up to 24 weeks for an abortion is already too much, let alone taking it to full term. I was interested to note the delight of a mother whose pregnancy ended with miscarriage at 22 weeks, in the fact that her baby had fully formed fingers & toes. She was obviously entranced by the miracle of reproduction and her story serves to highlight that abortion at any stage should be illegal unless for medical reasons.

Thank you for the work you do. May my submission aid you in that respect.

Kind regards,

Peter Horn
