To: Health Committee

I, Mr Diwash Goundar am writing to the Health Committee to stop and reject the Queensland abortion law reforms that do not protect women, allow abortion to full term and limit free speech.

I request the Health Committee to:

- Honour pre-election pledges to the people of Queensland stating publicly that they would not change current abortion laws
- respect the health and rights of women and the unborn to be protected
- respect the right of medical staff and the public to freedom of speech
- reject this irresponsible bill which allows 'backyard' self-administered abortions
- reject this anti-woman, anti-foetus, hastily and ill-conceived abortion bill.

Thanks,
Diwash Goundar
