To the Inquiry Secretary:

In regards to the Health (Abortion Law Reform) Amendment Bill 2016 being proposed by MP Rob Pyne Queensland – this needs to be defeated as we need to protect all babies in their mother's womb. They have a **right to life** and we need to protect that right as they can not fight for themselves. This bill is particularly heinous as it allows for abortion all the way up to a viable baby's birth.

Also, we need to abolish the proposed **50 metre Safe Zones** around abortion clinics as this is an attack on Freedom of Speech for Australian citizens, an essential freedom for the people of Australia and all western nations.

Sincerely,

Suzy Kinsel
