Subject: Reject the Abortion Bill Altogether!!
Date: Thursday, 29 September 2016 2:12:07 PM

Dear Committee Members

RE: Abortion Bill

I hereby ask that you reject the recently proposed Abortion Bill altogether. It is without doubt that abortion promotes a culture where human life is considered disposable where babies are discarded as sick animals!!

All human beings should be afforded protections under the law. The unborn is innocent and guilty of no wrong - Queensland does not support the death penalty in any criminal case!!!

Thank you for hearing us.

Regards,

Ziah Carr
