I write in relation to the upcoming abortion bill.

I oppose this abortion bill strongly for the following reasons ;

It seems very easy to obtain an abortion after 24 weeks simply by consulting two pro-abortion doctors.

The restrictions on free speech and the right to protest by the use of exclusion zones around abortion clinics seems unfair and undemocratic.

In this new bill the rights of the mother seems to totally override any rights of the unborn child and of the Father of the unborn child.

I therefore strongly oppose this abortion bill.

Yours sincerely,

Daniel Graham
