Re: Health (Abortion Law Reform) Amendment Bill 2016 as a Private Member's Bill.

Dear Sirs/Madams.

Any change that makes abortion a little closer to being purely an abortion on demand other than medical reasons is a step closer to calling what is evil in Gods sight good. From the time of conception the fetus is a living human to say it is OK to murder it purely because its not considered a human is a step closer to considering murder good.

Bob Haughey.
