Date: Thursday, 29 September 2016 2:45:15 PM

This bill allows for abortion until birth for viable babies and removes protection for Queensland women and babies.

Our granddaughter is down syndrome and is the most beautiful child you could want BUT would have been ***aborted*** if doctors and politicians had their way.

Say NO to abortion and this child is "PERFECT BY DESIGN" see website.

Don.t these parliamentarians realise that a person is alive at conception and therefore I object to murder and therefore stand against this bill.
