Subject: Stop abortion
Date: Thursday, 29 September 2016 3:34:46 PM

I would please ask that you not pass the 2nd or 1st Pyne Abortion Bill. It is a difficult subject due to its sensitivity as well as the diverse and often horrifying situations people go through to get to a point where they would want an abortion. Understanding this, the thought makes me sick and I have signed both petitions against each bill.

Kind regards,
Kayley Toll
