Dear Committe Members,

I ask you to oppose and reject MP Rob Pyne's bill for amending the current abortion laws.

This is the second bill that this MP is putting forward and again it has the appalling aim of allowing abortion for late term viable babies. It does not respect or protect the rights of these babies or of women. Also it does not uphold the rights of free speech for doctors, nurses, hospital staff and the public.

Yours faithfully,

Jonquil Burn
