**Date:** Thursday, 29 September 2016 5:08:25 PM

---

FROM MRS HELEN SELKE [REDACTED]

[REDACTED] DEAR COMMITTEE THESE  
AMENDMENTS DO NOT GIVE CLARITY AS IN MUM IS ALLOWED TO PERFORM AN ABORTION  
ON HERSELF BUT ONLY A QUALIFIED DOCTOR IS ALLOWED TO LOGICAL CONTRADICTION?  
DOES THE CRIMINAL CODE OR CAN IT CHARGE A WOMAN WITH PREMEDITATED MURDER  
OF HER UNBORN CHILD?LEGAL/MEDICAL  
CLARITY? 2 DOCTORS  
PERMISSION FOR OVER 24 WKS BUT NO OFFENCE COMMITTED IF THIS IS NOT DONE  
CLARITY? FREE REIN WITH THE APPEARANCE OF REGULATION UNDER THE  
LAW FATHERS HAVE LEGAL RIGHTS/AFTER THE BIRTH/ THAT THEY HAVE NO LEGAL  
RIGHTS BEFORE THE BIRTH IS GROSS DENIAL OF NATURAL JUSTICE .IN21ST CENTURY WE  
HAVE ACCESS TO ADVANCED BIRTH CONTROL . THERE IS NO EXCUSE FOR USING  
ABORTION AS BIRTH CONTROL THE CURRENT LEGISLATION ALTHOUGH NOT PERFECT  
HAS OF COURSE A STRONGER REGULATORY EFFECT THEAMENDMENTS MAKE THE  
SITUATION WORSE ABORTION HAS SERIOUS CONSEQUENCES BOTH FOR THE BABY AND  
BOTH PARENTS EDUCATION IN THESE CONSEQUENCES AND IN APPROPRIATE AND  
EFFECTIVE BIRTH CONTROL WOULD MEAN FEWER PEOPLE COPING  
WITH PSYCHOLOGICAL PROBLEMS INFERTILITY AND OTHER CRIPPLING SIDE EFFECTS OF  
ABORTION .AS A GRANDMOTHER OF 19 A RETIRED SCHOOLTEACHER AND ONE WHO HAS  
HELPED A YOUNG WOMAN WHO THOUGHT ABORTION WAS HER ONLY OPTION  
THROUGH TO BEING A GRATEFUL MUM I SEE NO GOOD COMING FROM THESE  
AMENDMENTS PLEASE KEEP QLD THE SMART STATE SINCERELY HELEN SELKE
