To whom it may concern

I wish to submit my objection to the new abortion bill being proposed by Mr Rob Pyne. I am horrified that anyone would seek to institute abortion into the third semester of a pregnancy, let alone right up until the moment of birth.

I do not consider this Bill to be in the interests of any woman and any unborn as it allows for abortion until birth for viable babies and removes protection for Queensland women and babies.

Dr Gail Davidson (Th.D)
