I wish to register my disapproval of the proposed abortion bill particularly the section allowing abortion over 24 weeks! I understand it states this would only happen under certain circumstances but at that stage it amounts to killing the baby! My sister was born at 28 weeks and babies of less gestation survive. If the mother was to kill the newborn it would be murder! Please don't let this bill be passed! It would be open to abuse. Sharyn Werner [REDACTED]
