**Date:** Thursday, 29 September 2016 5:28:23 PM

---

I oppose the proposed abortion bill and ask that it be rejected. Instead of giving women the right to abort so easily, maybe there should be more focus on giving these women more options such as easier access to adoption, counselling etc. it's a crying shame that a child at any age of gestation should have its life taken away because a carrying mother feels as though she has no other options, or that abortion is the easiest option.
