I am a Queenslander who objects to the second abortion bill in place proposed by MP Rob Pyne.

In my view, human life starts at conception and is a gift from God. I object to the proposed bill for the following reasons:

1. The killing of unborn babies is the equivalent of murder
2. There is no regard in this bill for the most vulnerable ( in this instance, the baby)
3. This bill will further legitimise the moral degradation of our society - unprotected sex with no consequences, abortion with no consequences.
4. The undesirable efforts abortions have on the family unit
5. Does not encourage adoption of unwanted babies to couples that really want children but cannot for biological reasons.

As a voter, I will put last any politician that votes for this bill.
