Health Committee

This is a photo of a baby miscarried at 12 weeks

It is clear that this is a baby, not a thing. If one aborts this baby, it should be called murder. I plead that this committee would oppose legislation that will provide the opportunity to abort babies. No parent should have a choice to kill their own child. It should be brought to the parents' attention that an abortion is not only the termination of an unwanted pregnancy but it involves the ending of a person's life.

I ask that the committee will consider strategies to help parents who have unexpected and unwanted pregnancies.

I know this is not an easy task and neither a cheap one. But to end a life because it is and easier and cheaper option, is unacceptable.

Kind Regards

Marga J. Grey
