Dear Secretary

I would like to express my views on a dangerous **NEW abortion bill proposed by Cairns MP Rob Pyne.**

Like his first bill, Mr Pyne's new bill will remove safeguards for unborn children and women.

Abortion is murder of a precious young soul, which can also lead to emotional & difficulties of problems later for the woman and family.

This **NEW abortion bill** allows for abortion until birth for viable babies and removes protection for Queensland women and babies.

I believe that Mr Pyne is trying again and a parliamentary committee is now considering this second bill.

I would ask the committee to fully consider this **NEW abortion bill** and all it's ramifications on the public at large.

Apart from the dangerous fact of possible emotional & mental difficulties, it is against God's Law not to murder.

Thank you for your sincere consideration & time.

Yours Sincerely

Gael Seary
