To whom it may concern.

I am writing to oppose the current abortion law that is trying to pass allowing mothers to abort/terminate there baby at full term.

As a mother of three beautiful children, two live with me and one lives in heaven I strongly disagree with passing this bill.

A child bears a heartbeat at 6 weeks old.

For your information that is cold blooded murder...

What where you planning to do with new born baby's dead body? Just throwing it in the trash?

Or how about when a baby is removed from the mother and it is still alive? Breathing?

Moving around? How are you going to stop that baby? Strangle it? Smother it? Or still just place it in the garbage?

Only true careless murderers would like this to happen including yourself and your fellow members that work with you.

Abortion should NOT be legal at all but to allow a FULL TERM pregnancy a fully formed HUMAN CHILD to be wiped off he face of the earth is absolutely the lowest form of humanity I can think of.

Thanks

Candias Louise Tyson-Connor.
