I Humbly, and with the deepest concern plead with you to reject this second abortion bill that Mr Pyne has put forward!

It is unthinkable to me that an Unborn Child would not be safe at any time in the womb of it's Mother should Mr Pyne have his way?

What are we coming to?

Where is the sanctity of human life? Where are the rights of the Unborn?

Please draw a line in the sand and say... enough is enough! No Mr Pyne... NO!!

Thank You for your time!

Brett Crealy.
