Dear Sir/Madam

As an elderly voter I find the proposed changes to the Bill outrageous. In my long life I have seen the devastation caused by abortion. How poignant also is that these changes were decided by a member of the opposite sex (I won't say at man) because he is not a man but someone who does not understand woman, society, love, death and murder.

I ask that the Committee to reject/oppose the Bill.

kind regards

Mrs Hopley
