Subject: Pyne Abortion Bill 2.0
Date: Friday, 30 September 2016 9:43:34 AM

To the Committee,

The second abortion bill is just as bad as the first. It amounts to murder of unborn children simply for the convenience of the mother.

There are thousands of Australian couples waiting years to adopt. Why do we have such a dysfunctional system?

These unborn babies are precious.

It is my will that you either reject or oppose the Pyne bill.

Thank you

Brian Capamagian
