Subject: Please oppose the new Pyne abortion bill
Date: Friday, 30 September 2016 4:36:25 PM

To Whom it may concern,

I am writing to you to ask that you oppose the Pyne Abortion Bill. This Bill will not help or solve problems in the long run for many of the women. What our country is seeing is that abortion is causing long term damage to women (physically and emotionally) and their families. If you are serious about helping women you will reject this Bill.

Yours sincerely
Chris Forder
