To whom it may concern.

I am writing on behalf of all the unborn babies that will be affected by the new bill that Mr Rob Pyne has presented to the Qld Parliament.

As a citizen of Australia and a resident of Queensland I find this Bill abhorrent and shameful, for us a people. To think of even passing such a bill is beyond my comprehension, to me and many others that I talk to.....it is plain Murder!

I do ask that this bill be stopped and thrown out once and for all.

A citizen of this State
Your sincerely
Mrs Melva Kajewski
