Subject: Reject the Pyne Abortion Bill
Date: Friday, 30 September 2016 6:24:07 PM

My wife, Shirley, and I oppose the Pyne Abortion Bill which if not rejected will open the availability of Abortion to almost a full term procedure, and there is only one survivor. Is Pyne trying to bring this State into line with Victoria? We have already made our position clear to our State Member, Joan Pease, and call upon the Committee to reject the Pyne Abortion Bill.

Regards Des and Shirley Egan
