Dear Sir / Madam

With regard to the Health (Abortion Law) Amendment Bill 2016 proposed by Mr Rob Pyne, I wish to raise the following concerns:

- the bill fails to offer any real protections to the unborn child.
- the bill fails to recognise the human rights of the unborn child
- the bill fails to protect the mother and removes the current safeguards (this was in part the reason that his previous bill on this issue was rejected)
- The bill would give Queensland some of the worst Abortion laws in the world

In light of the above concerns, I wish to make it known that I strongly oppose the bill and call on Parliament to do the same.

Kind regards, Paul

Paul Howie
