**Subject:** Re proposed change to abortion  
**Date:** Saturday, 1 October 2016 6:37:42 AM

---

I totally reject all of the changes to the laws on abortion proposed by Cairns MP Rob Pyne.

These increase the danger to women and the unborn child.

We are dealing with human life here and as such should be valued, honoured and celebrated.

Please put an end to these proposed changes ..... now.

Jenny Templeton
