Subject: Abortion
Date: Saturday, 1 October 2016 7:35:50 AM

I submit that any abortion is Bad for the woman as well as the murder of a human being, Saying that a baby feels nothing is like saying that animals have no feeling. I have known several women who have suffered severe mental stress and ongoing mental health problems costing the health system many hundreds and over time thousands of dollars not to mention the lack of productivity of the person and family concerned Annette Eland
