Subject: Please do not pass this bill - no civilized society should entertain any thought of allowing abortions right up to full term.
Date: Saturday, 1 October 2016 10:03:39 AM

Dear Parliamentarians

Please do not pass this bill - no civilized society should entertain any thought of allowing abortions right up to full term.

I, and all my wide circle of friends and family; every one, feel extremely strongly about this issue and it will determine our voting intentions in the future.

Marg

Margaret Moppett
