Subject: new bill
Date: Saturday, 1 October 2016 11:15:06 AM

To whom it may concern,

I am writing to express my deep concern regarding the new abortion bill presented by Mr Pyne.

When viable babies are allowed to be murdered in a full term pregnancy while in the supposed safety of their mother's womb, it shows a society that has completely lost its way and any vestiges of civilisation.

I stand in total opposition to this bill and hope the Parliament will see fit to reject it.

Yours faithfully
Elizabeth Scott
