Subject: abortion bill
Date: Saturday, 1 October 2016 4:00:12 PM

To whom it may concern, Please, please do not allow this bill to pass. Since when have women and children been of so little consequence. We (women/Mothers/children) are just as important as Mr Pyne - he wasn't aborted. Give children a chance. If the Mothers don't want their children there are many beautiful couples who are longing to adopt a child. Save our children and our Mothers. - please

Roslyn Ballin
