Subject: Late term abortion bill
Date: Sunday, 2 October 2016 9:09:48 AM

I strongly oppose the introduction of late term abortion. I believe it would be planned and executed murder of a defenceless child. If this is introduced I will cease to vote for this party and join Pauline Hanson's One Nation Party in protest. She will certainly raise this issue in Parliament. I am only one voice of many in my circle of family, friends and colleagues who feel the same way.
