Subject: Abortion Bill
Date: Sunday, 2 October 2016 2:33:07 PM

Dear Member of Parliament,

As a mother, grandmother and great grandmother, I am very concerned that this abortion bill has been put on the table again.

I am very strongly opposed to it, the babies who can't defend themselves, need to be defended.

And the mothers who are going through this need care and support.

Please think long and hard before you allow this bill to go through.

Yours faithfully

Roma Wood
