To: [Abortion Bill](#)
Subject: Every Child has the right to live
Date: Sunday, 2 October 2016 4:03:41 PM

To whom it may concern

I have totally against this bill, every child has the right to live, no one should have the right to terminate a baby,s life, the safest place for a baby should be their mother's womb, if we could hold the baby it would be considered murder but because the baby is unseen that makes it OK?
NO

Please hear the voice of the unborn children and say NO to this bill.

Regards
Marrienne Kowald
