Dear Sir/Madam,

Protest against Legalising Abortion Bill.

This very damaging Bill which will be presented to Parliament on 9<sup>th</sup> October is Acknowledging Infanticide to be not only acceptable but desirous. Naturally, one would not have to be too intelligent to realise that this Bill would give carte blanche to kill our unborn Queensland Babies.

This Bill in its horrendous content defies comprehension.

I would like to bring this matter to your attention and make my voice known on this matter. I am totally against Legislation on this issue in any shape or form.

Many thanks.

Yours faithfully,
