Inquiry Secretary.

Health, Communities, Disability Services & Domestic  
and Family Violence.

I wish to voice my objections to Rob Pynne's proposed Bill to legalise abortion regardless of the time factor. In this second Bill abortion until birth is not an offense, but peaceful protest is criminalised. My personal opinion is that all abortion is illegal. I would be pleased to know your likely vote when this Bill is brought before Parliament.

I await your  
reply with interest.

Yours Faithfully  
Marlene A Corbin.
