Please think of the next generation when you submit a bill on abortion.

It is only safe before 12 weeks but even then it does terrible things to the mind of the to be mother for the rest of her life. God gives life He is the only one who should be responsible taking it.

So please leave marriage and abortion alone. Unsuccessful abortions are remembered by the child to be born and into adulthood. Please remember and the unborn children will thank you. !! That is the order ordained by our creator hands off.....
