Dear Committee,

My name is Thomas Popovic, i'm 19 years old and live on the Gold Coast. I fervently ask you please to oppose the abortion Bills as I do not believe in killing the most innocent and voiceless in our society. The mere fact that both you and I are alive should be enough to say NO to abortion; the fact that our parents chose life over death. May we all show the rest of the world an example of justice and peace by absolutely respecting the most vulnerable of our society in every way possible.

Thank you,

Thomas Popovic
