Dear members of the Health Committee,
Please reject the Pyne Abortion Bill recently launched in Parliament.

At 24 weeks pregnant my mother gave birth to me as a result of my fathers attempt to abort me. I am now a successful mother of two beautiful girls and I pride myself in being a compassionate teacher who speaks positively into the life of hundreds of teenagers each year.

My life has mattered and it has been a joy to be a contributing member of society.

Late term abortions kill living people. Please oppose the Pyne Bill.

Kind Regards

Melany Draper
