Dear Committee member

Please reject Rob Pyne's abortion bill. His proposed bill will be detrimental to Women's health and extreme towards unborn Children. I urge you to consider the rights of the Child to live a full life. Mr Pyne's bill proposes the destroying (killing) of viable Babies with no valid reason and inadequate safeguards and provides unhindered access when two abortionists agree. Why would they not agree when that is what they are profiting from?

Please reject Mr Pyne's proposed abortion bill. It is dangerous and provides on-demand Baby butchering in what should be a society that protects the weak and the vulnerable.

sincerely,

Adrian Watter
